From Puppies to...

The journey to becoming a service dog.

animal assisted intervention international

# A Two Year Journey

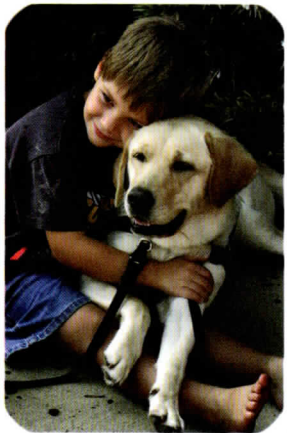

It takes over two years and hundreds of volunteers to train a puppy to become a service dog.

Be a part of the journey.

## Weekend PAALS

Life changing volunteers who foster on weekends

## Prison PAALS

Puppies trained through inmate apprenticeships while learning life skills

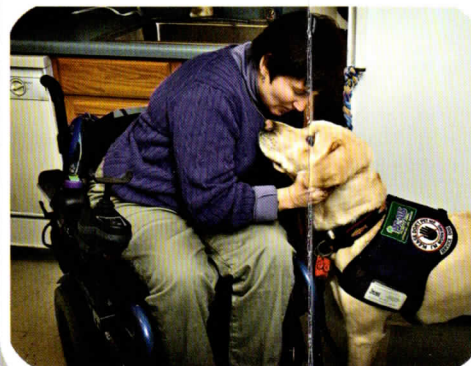

## Summer PAALS

Unique camp that includes youth with disabilities

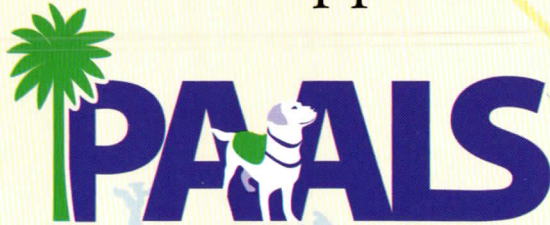

## Service Dogs

Mobility, Autism, PTSD Dogs and more

# From Puppies to

## Military Support

Rob's Best Friend Fund to serve those who serve us

## Facility Dogs

Working with trained professionals to provide animal assisted interventions in our communities

PAALS is the only Assistance Dog International (ADI) accredited organization based in SC.

Learn more about our non-profit organization and how we can bring our animals and programs to you and your community.
