GGC Ambassador to Scotland

Sisters and Brothers,

April 20, 2026

As Ambassador to Scotland, I have planned a trip to attend the annual meeting of the Supreme Grand Chapter of Scotland, and I would love for you all to join me.

The trip has been planned for April 2027. In addition to the meeting, we will enjoy sightseeing throughout Scotland and travel by train to London, where we will experience even more historic and beautiful locations. The train journey will provide a wonderful opportunity to take in the scenic countryside of both Scotland and England.

Our trip will begin on April 11, 2027, with a flight to Edinburgh. We will explore the surrounding area where the annual meeting is being held. The meeting will be on April 13, 2027 and following the meeting, we will spend time sightseeing in Edinburgh.

On April 14, we will board a train to London, arriving on April 15. Upon arrival, you will have free time to relax or explore the city at your leisure. On April 16, we will enjoy a guided tour of London. The following day will include additional sightseeing opportunities in the surrounding area.

April 18 will be a free day for you to relax, shop, or visit any sites you may have missed. On April 19, we will depart from Heathrow Airport for our return home.

The trip dates are April 11–April 19, 2027.

I have attached a form for you to complete regarding airline reservations and any special needs you may have. Please complete and return this form to our tour director, Nathan Arnett. I have also included a detailed itinerary for your review.

The cost of the trip is \$3,595 per person (land only). Please note that airfare is not included. If fewer than 20 participants register, the cost may increase.

I have attached to this letter a form to fill out for those who are interested in joining us.
