

International Member Registration Payment Instructions

Due to the difficulty of our International Members in obtaining Bank money orders and bank drafts in U.S. dollars as well as the expense, we ask that you complete the registration form and mail without the payment.

You will need to make the money exchange upon arrival in the United States and then pay the registration fee when you get to General Grand Chapter.

We will have a table setup for just that purpose and will make it as simple as possible. We will have everything ready and once you pay your registration fee you will receive your badge, General Grand Chapter packet and a tote bag.

My team and I will ensure that it goes as smoothly as possible for you.

Donna Brantzeg, PGM of SC
Registration Chairman
